October 2008

2009 Projected Budgets:

I have enclosed projected budget for the 2009 crop year.

FSA

- FSA to Issue Final 2008 Direct Payments- these will be sent soon. Most of you received 22% this spring, so this final payment should represent 78% of your annual Direct Payment.
- Also, please make sure you read your FSA Newsletter's, because they will be used to keep you informed of any changes to the farm program.

Section 179

This year the section 179 expense is \$250,000, up from \$125,000 last year. 50% bonus depreciation is also available.

Tax Template:

I e-mailed out the 2008 tax template and if you did not receive a copy and would like one, please call the office and I will get one out to you. If you want to run an estimate please give me a call. To run an estimate, you will need to get your 2008 depreciation amount from your tax preparer.
